

Reduce your Credit Card Processing Fees

with TLMI's new partner Century Payments

TLMI is pleased to announce its new partnership with Century Payments. Founded on the premise that taking care of merchants, partners and agents will take care of everything else, Century Payments is offering innovative payment processing to reduce your processing fees. Dedicated to providing the top resources in payment acceptance sales and the best merchant support in the industry, Century Payments is backed by a \$50 million investment from Austin Ventures, a highly reputable, 25-year-old venture capital firm. This provides even more stability to fund growth and develop truly unique and compelling merchant programs.

Save on Credit Card Processing with:

- Cost Plus Pricing
- Group Discount Rates

Century Payments provides onsite and online payment processing services that are truly unique to the industry. Rate hikes are too often accepted as commonplace in the processing industry, along with annual fees that seem to appear from nowhere. Every new TLMI merchant will receive the Century ***Rate For Life**SM Guarantee that ensures your processing rates won't change as long as you remain a customer. Century Payments is the only processor that truly guarantees your rates will never go up.

TLMI Member Benefits:

- Simplified Conversion Process
- No Application Fees
- No Annual Fees
- Virtual Terminal Options, easy setup for automated recurring payment plans
- Comprehensive Reporting
- Dedicated Account Executive

Century Payments can also provide you with a FREE cost analysis comparing our services with those of your current provider.

*The Rate for Life guarantee excludes association interchange, fees, dues and assessment increases
