TLMI EVENTS & MEETINGS

TLMI hosts two major annual events for our members. The Converter Meeting, held in the spring, offers converting companies the opportunity to network with their peers and to learn from one another. TLMI's Annual Meeting is held in the fall and allows both converter and supplier members to interact in a relaxed environment. The Annual Meeting is an opportunity for all TLMI members to establish and strengthen partnerships.

TLMI's Technical Conference, held every two years, consists of technical presentations and panel discussions on industry topics such as new production technologies, industry trends and environmental best practices.
